

38th Annual Summer Law Internship Program Volunteer Undergraduate and Graduate Students (Non-Law) - Statewide

The Office of the New York State Attorney General is seeking talented undergraduate and graduate students for its 2017 Summer Law Internship Program (SLIP). The SLIP officially runs for 8 weeks between June and July (10 week appointments are available, if required by the applicant's funding source). The 2017 SLIP will begin on June 5, 2017. Interns commit to work full-time for the entire duration of the program. These internships are either volunteer positions, externships for course credit, funded by a public service grant obtained by the student, or work study funded by a college.

Placements are available statewide within the Divisions of Criminal Justice, Economic Justice, Social Justice, State Counsel, Appeals and Opinions, Regional Affairs, Executive and Administration. Undergraduate and graduate students are needed to assist professional and support staff in all phases of their work including but not limited to: non-legal research; data entry; drafting of correspondence and memos; assisting with consumer complaint intake and mediation; and performing clerical tasks such as filing, answering telephones, scheduling meetings. We are seeking hardworking interns who are committed to public service and have excellent research and writing skills; fluency in other languages (e.g., Spanish, Mandarin, Russian, Korean, etc.) in addition to English is a plus, but not required.

Students selected for the SLIP will be assigned to one of the bureaus in the main offices in either Manhattan or Albany, or to one of the smaller regional offices. The practice area of a bureau is generally reflected in its name. Our regional offices are located in Binghamton, Brooklyn, Buffalo, Harlem, Suffolk, Nassau, Plattsburgh, Poughkeepsie, Rochester, Syracuse, Utica, Watertown, and Westchester. The regional offices are full-service locations that handle matters such as: consumer fraud complaints and mediations; consumer frauds and related criminal prosecutions; civil rights and labor law prosecutions; and the investigation and prosecution of environmental law violations. In addition, they handle State Counsel matters in defense of the state, its agencies and employees in lawsuits brought in state and federal courts. **For more information about the work of a bureau or regional office, please click [here](#) to visit the Divisions Section of our website.**

Applicants should only apply to those bureaus and/or regional offices of interest to them. Location preferences will be honored; however, bureau assignment may ultimately be made based upon the needs of the office.
