- Provide extensive expertise in the planning and execution of the electronic surveillance phase of major investigative and enforcement operations.
- Provide investigative support for complex internet investigations.
- Serve on high-risk special operations teams.
- Make covert court ordered entry onto/into the property of targets of criminal investigations to install equipment to collect evidence.
- Provide training and guidance to other law enforcement officers engaged in electronic surveillance and investigative work, assuring mission requirements are fulfilled.

Minimum Qualifications:

- Must have a current NYS basic police academy certification or NYS specialized police investigator certification approved by DCJS or the ability to successfully complete all requirements to obtain such certification.
- Must possess strong writing, analytical and organizational skills.
- Demonstrate strong interpersonal skills and the ability to work effectively as part of a multi-disciplinary investigative team.
- Experience conducting criminal investigations and knowledge of the laws governing eavesdropping and search warrants.
- Experience with covert installations of GPS tracking devices.
- Experience in the installation of video surveillance equipment and systems.
- Experience with fabrication of covert enclosures for video and audio surveillance devices.
- Experience with covert entry for residential/commercial buildings and vehicles.
- Experience and training in Technical Security Countermeasures technologies and operations.
- Possess a working knowledge in the use, instruction, installation, maintenance, troubleshooting and integration of the full range of electronic surveillance devices including but not limited to telephone, video, audio, tracking, Radio Frequency (RF) technologies and associated surveillance systems.
- Experience in planning and conducting covert undercover technical operations.
- Knowledge and understanding of all State and Federal laws pertaining to technical, electronic, audio, video surveillance, eavesdropping and wiretapping.
- Cultural competence to understand and effectively respond to cultural differences for involvement in undercover operations and/or otherwise to be inserted into investigations and interactions with targets across different cultures.

- Must possess a valid NYS Driver's License with ability to operate a motor vehicle.
- The NYS Public Officer's Law requires that all police officers be citizens of the United States of America and reside within the State of New York at the time of appointment.

Preferred Qualifications:

- Experience working in High voltage environments.
- Experience with computer support, network or systems administration, or a similar IT related discipline.
- Proficiency and/or direct experience in computer network administration and support; ability to install and maintain computer equipment, software and computer peripherals.

The annual salary for this position is \$91,478. Appointments in White Plains receive an additional \$4,000 location pay. This position is overtime eligible. Performance of the duties may require frequent, unscheduled work on evenings and weekends and requires 24/7 availability. This position is in the exempt class, and incumbents serve at the pleasure of the Attorney General.

*Candidates from diverse backgrounds are encouraged to apply.
